

# Signature 2

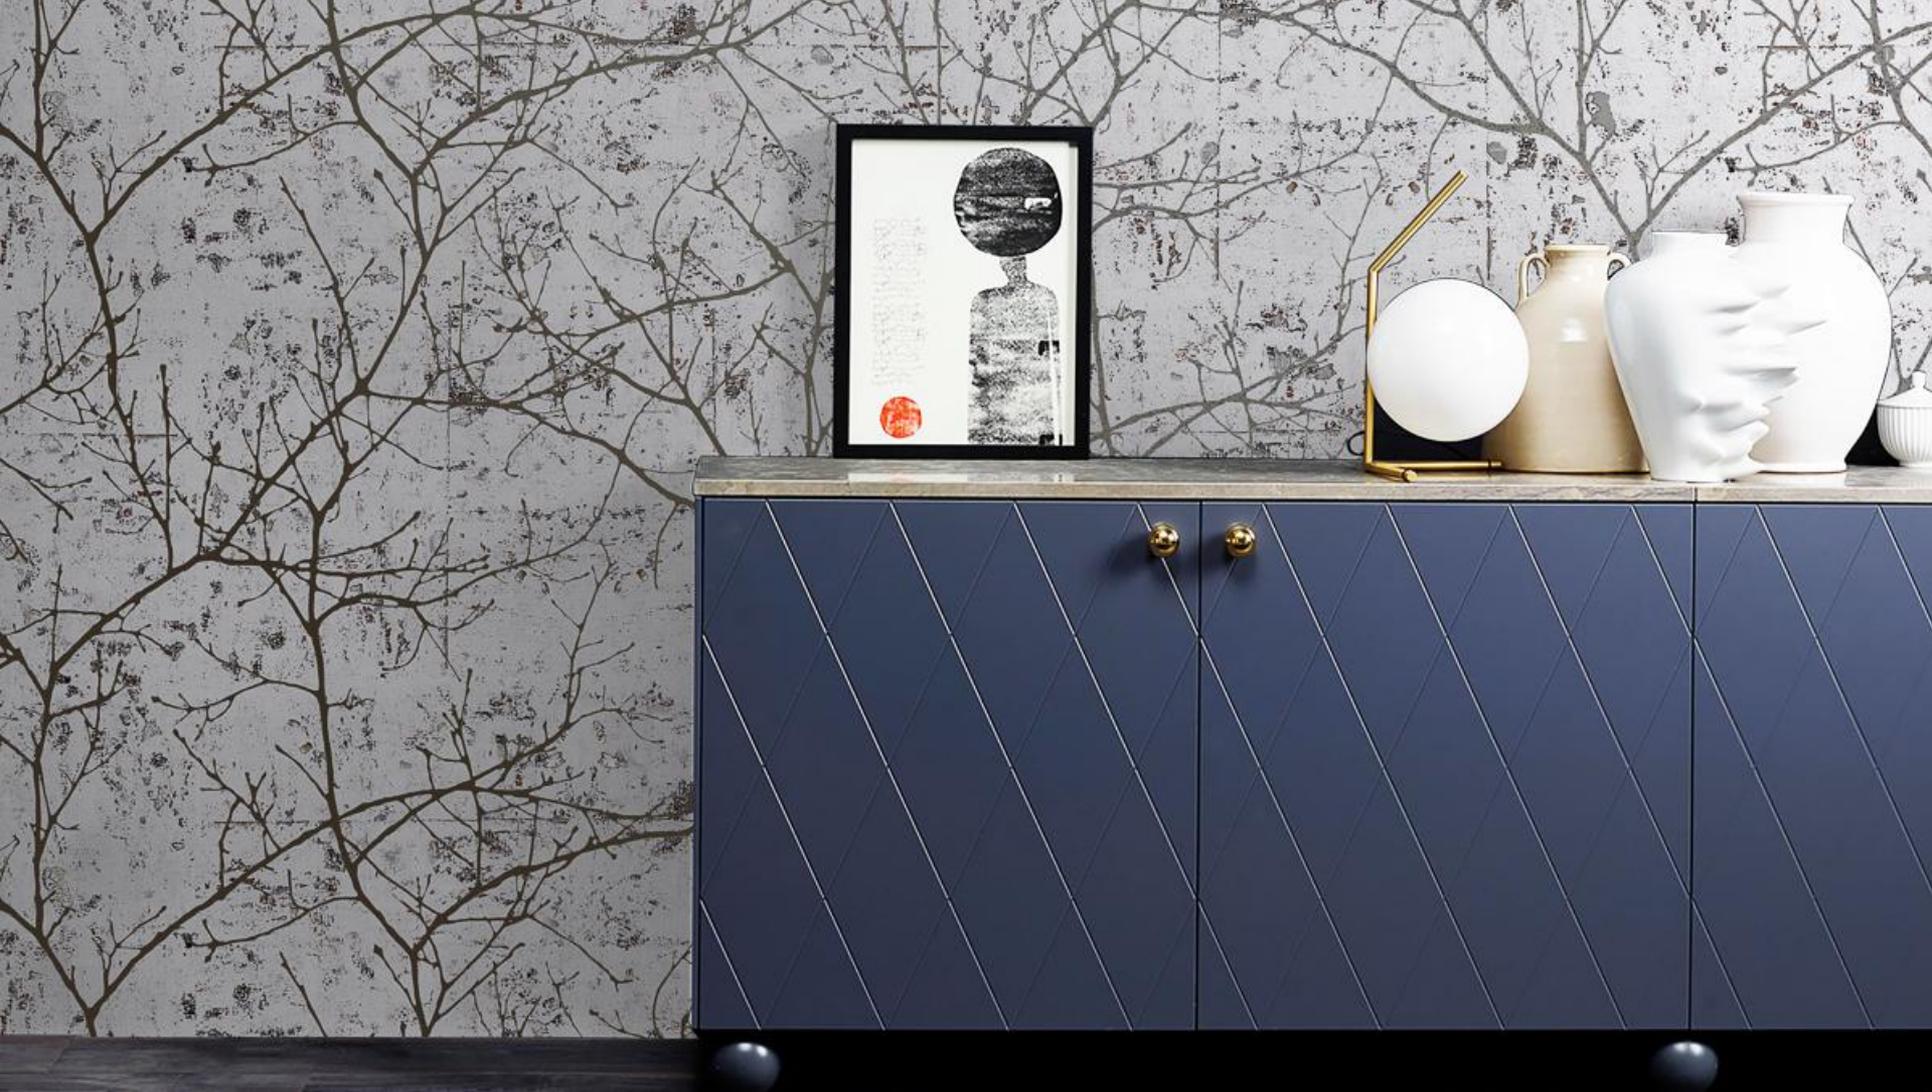

Коллекция Signature 2  
демонстрирует красоту и актуальность  
натуральных материалов благодаря  
цветовым сочетаниям и декоративным  
эффектам.

Силуэты растений, монохромные  
растительные дизайны на пробке и  
геометрические узоры на шпоне – отвечают  
главным трендам при оформлении  
пространств.
